KoenigRubloff.com & Mobile App

KoenigRubloff.com is a sophisticated real estate destination that offers maximum exposure for listings and delivers highly detailed property information to prospective buyers.

KoenigRubloff Mobile allows mobile device users to view property information in real time which is critically important given that more than 50% of real estate searches are conducted on mobile devices. Text SEARCHKRG to 87778 to get our mobile app.

Each listing receives its own dedicated property website, web page and web address.
