Remarks: The perfect summer getaway that's also built for winter! This secluded lake cottage on 1 acre has the open space you need to get away from it all. The open great room hosts a bright living area and kitchen with plenty of cupboards and counter space. The home opens to a small deck, ideal for enjoying the serene landscape and wildlife. The separate bedroom is filled with natural light while the walk-in closet and attached bath make it a truly private sanctuary. The easily accessed and finished loft is ideal for a kids play area, additional sleeping space, or simply use it for storage. The entire home is well insulated and has its own well and septic system. Outside there is an additional shed with nearby water, a septic hookup for your RV, and plenty of parking for all your lake toys or guests.
