Lake McConaughy

FOR SALE

1955 MOBILE HOME

Step back in time and into one of the most unique getaways at Lake McConaughy! This charming 1955 Safeway Mobile Home, nestled within North Shore Lodge, is a true vintage gem with character you simply can't recreate. The original 8' x 40' trailer still features its beautifully preserved 1950s varnished wood paneling, original cabinets, and built-ins—untouched by modern updates and full of nostalgic charm. Two additional living spaces expand the possibilities, including a 12X8 cozy master bedroom and a screened-in porch that's perfect for relaxing after a day at the lake. Tucked away off Kastmaster Street beneath large, established trees, the property offers a peaceful setting along with a paver patio ready for the fire pit and Adirondack chairs. Recent improvements include fresh exterior paint, new windows, a new refrigerator, and a new hot water heater. If you're looking for something with personality, history, and that one-of-a-kind lake-life vibe, this vintage beauty is ready to steal the show!
