Remarks: Brick home with NEW roof and gutters, Newer windows, ductless AC installed by Correll Refrig., Outdoor space has a very private feel with the mature trees and privacy fence! Fenced backyard plus patio and deck. The garage has 2 bays with oil pit, shelving, large loft that is accessed by automatic staircase, a big room in front of the garage for more workspace, plumbed for a bath current owner does not have the water turned on for it. Pretty rare find in town---a nice house with a huge garage!! More pics online.
