Remarks: Beautiful home on 1.5 lots! Seller's believe all the main and upper floor, except kitchen is

hardwood floor. You can see an example of it in the dining room! Steam heat is very clean and efficient, there is a well on north side of back fence it is used to water the lawn, new pump 2016. **Impact Resistant shingles installed 2018—some insurance carriers offer discounts for that type of shingle. Fireplace inserts are electric but the gas hookups are still there if you want to convert.

Bedrm 4 is non-conforming. So clean and beautifully maintained, this home is ready for you!!
