Remarks: This stunning lake home is located in the highly sought after neighborhood, K-3! Walk across backyard to the sandy beach! The original small cabin was built in 1974. The owners hired a Denver architect in 2013 and completely remodeled the home with a huge addition featuring 2843 square feet on one level*. This spectacular remodel features soaring 16-22' vaulted ceilings in the open great room! The living room, dining room and kitchen has a wall of windows and doors that maximize the beautiful lake views! The gourmet kitchen is a chef's dream with a turquoise gas range, center island, hickory cabinets, quartz countertops and a custom built-in hutch with lots of storage! There is an adjacent walk-in pantry, mudroom and laundry room! The dining room steps out on the massive composite deck with cable railing overlooking the lake and beach! There is also a nice den off the living room with french doors and closet that could also function as a 4th bedroom or office. The primary bedroom/bathroom is a luxurious retreat! The
