## **From the management...**

It's another great month at Grandview & Spring Valley Apartments! Summer has almost come & gone but we have a couple more months to enjoy the warm weather!

School is starting back up this month & remember: kids needing to ride the school bus to and or from either apartment complex are always welcomed, but please remind them to watch out for other cars & be safe! We want all our youngsters to stay safe!

Please be mindful of your pet & your pet's actions in & out of your apartment!

Please remember to be watching for your recertification reminders in your mail box. They are sent out 4 months before anniversary of the month you moved in.

Remember the community room at Grandview is always available for any function you would like to have! Its free to use for any resident of Grandview OR Spring Valley! There's a complete kitchen & a bathroom! It's a perfect place for hosting an event!

We hope you enjoy the rest of the summer!  
-Sarah Beth Martin, Manager  
-Kevin Jackson, Maintenance
