

# NEW HOPE NEWS

## CROCKETT'S CORNER

*goodbye July, hello*  
**AUGUST**

## THINGS TO REMEMBER

### *Kirklands Pest control*

Monday August 1, 2016

Second Monday of each month

10:00

### Community Room News

#### Unity Hospice Care

Did you know that Hospice offers a variety of services; focusing on physical, spiritual and emotional support? Mr. Mike Pennock with Unity Hospice Care will be meeting in the community room on August 24<sup>th</sup> at 1:00 to share information regarding services available. Refreshments will be provided.

# New Dumpsters!!!!

You have new dumpsters!

So happy to have the new dumpsters provided

by the city of Lawrenceburg.

Let's be mindful to secure bags properly in

order to prevent leakage and spills,

and keep the foul odor under control

as much as possible during these extremely

hot conditions.

A Peaceful place to sit a spell and relax

The high temperatures have taken their toll on some of our flowers but this beauty continues to bloom 😊

## Summer Nights in the South

*Green fireflies blink in the quiet of night  
and our sleeping old dog heaves a sigh.  
Dreaming, she sprints through a youthful  
blue sky  
chasing delicate clouds, cotton-white.  
A red-sunset tanager\* colors the warm air  
from a perch in the majestic oak limbs  
above  
professing by lullaby, sincerely devoted  
love,  
like some sublimely recited evening prayer.  
I lay back and smile, through the leaves,  
at the moon  
to the sound of crops rippling in the  
breeze  
thinking how precious are nights such as  
these  
when alone, with the Earth I commune.*
